## 9<sup>th</sup> INDIA SUPPLY CHAIN THOUGHT LEADERSHIP SENATE 2023

---

For more than 8 years, the India Supply Chain Thought Leadership Summit (ISCTLS) is the premier leadership conference exclusively for senior supply chain professionals. This unique event facilitates interaction, exchange, and the sharing of world-class supply chain practices. Tailored for practice leaders including CSOs, CLOs, CPOs, and emerging talents, ISCTLS stands as the ultimate forum to uncover mega trends, grasp the nuances of global geopolitics and supply chain geography, and cultivate perspectives on crafting agile, resilient, and sustainable supply chains for the future.

# ISCM Supply Chain Ranking

## India's First Ever Supply Chain Ranking

# Top 20 Supply Chain Champions

At a glittering Supply Chain Night, where over 450 CEOs, CSCOs, and CXOs from the best Indian companies assembled, the Institute of Supply Chain Management (ISCM) revealed the "Top 20 Supply Chain Champions" – the first ever research backed, data driven ranking of India's top 20 supply chains. The Supply Chain Ranking is to evaluate the supply chain efficiency, use of technology, sustainability, and network efficiency of public listed companies. The analysis included over three public companies within twenty-one industry sectors. Starting with over 1000 listed entities, the ISCM research team identified the top 300 companies for a deep dive analysis. In the second stage, ISCM research team analyzed the annual reports of these 300 firms for multiple quantitative parameters. In the inaugural year we have identified 20 top supply chain organizations across India Inc. and 28 supply chain champions in the sectors.
